## NOTE TO LIBER PARTICIPANTS

### 1. LIBER Database List of Participants (i.e. Members)

#### **Are Your Details Up-To-Date?**

The LIBER Office appreciates your help in keeping the LIBER database list of Participants updated. We should be very grateful if you would review the current list of LIBER libraries, which you will find at: <http://libereurope.eu/userlist>, and check that your details are still correctly recorded.

If any adjustments are needed, kindly send an email to [liber@kb.nl](mailto:liber@kb.nl), and the LIBER Office will amend your details.

### 2. For the information of new LIBER Participants

On joining LIBER, each new Participant receives an email message with login data providing access to the LIBER Intranet. New Participants' details are automatically added to the *LIBER Participant (i.e. Member) List* at <http://libereurope.eu/userlist>; and new Participants are also added to the *LIBER-ALL mailing list*. Participants may also, if they wish, join the LIBER-NEWS mailing list for general information about library activities, such as job openings and events information, at: <http://www.jiscmail.ac.uk/cgi-bin/webadmin?SUBED1=liber-news&A=1>.

A full overview of LIBER Communications Channels is available here: <http://libereurope.eu/stay-informed>.

**Note:** In April, LIBER will switch its mailing lists to a new service provider. This will have little impact on members and archives of all lists will be maintained. We will provide more details about the transfer, including a date of handover, in due course.
