Special issue of
European Research Libraries Cooperation:
The LIBER Quarterly
Vol. 7/1997, 1

ERLC Managing Editors:

Hans-Albrecht Koch, Universität Bremen
Heiner Schnelling, Universitätsbibliothek Gießen

ERLC, the Quarterly of the *Ligue des Bibliothèques Européennes de Recherche (LIBER)*, covers all aspects of research librarianship: preservation, bibliographic control, document supply, library management, data processing, library architecture, etc. Special attention is given to library cooperation in Europe and to the comparative approach to librarianship.
