A photograph of a modern library interior. The floor is made of light-colored wood planks. In the foreground, there are several large, floor-to-ceiling mirrors that reflect the room's interior, creating a sense of depth and light. On the floor, there are several large, colorful bean bags in shades of orange, yellow, and white. In the background, there are bookshelves filled with books and a small orange vintage-style bus. The ceiling is made of dark wood beams, and there are some lights hanging from the ceiling.
