#### Note of LIBER Treasurer

The Executive Board has taken the decision to vary the Participant Contribution Fee from 2020. The Fee has remained unchanged for several years, following a decision taken in 2014 to keep it fixed until at least 2018. However, in order to implement our Strategy and services to Participants, we do now need to review the income we receive from Participant Fees. The Board's proposal for a variation to the Fee will be presented to the Meeting of Participants in 2019, and if approved will come into effect in 2020.
