learning and working as community activity
Changing Role of Academic Libraries

- flexible room
- open space
- technology design
Changing Role of Academic Libraries

Winner of the Excellence in Academic Library Award for 2016

" Libraries have moved from being a storehouse for print materials to providing access to a vast network of information resources, workspaces, and services that facilitate the creation of content. 

Macalester College application form
Why would you like to go to the library?
LET THE COMMUNITY DECIDE!

Example: Dokkl Aarhus
Libraries in informational world cities
