

# LIBER: *Keeping In Touch*

LIBER uses numerous channels to share information with its libraries and the public. We also invite libraries to share news with the LIBER community, as highlighted below.

## 1 Mailing Lists

The **LIBER-ALL mailing list** is open to all staff in LIBER institutions who wish to receive official news from LIBER such as our Mailings, strategic updates and updates on key events such as the Annual Conference. To join, contact Office Manager Yvonne Stigter (email: [yvonne.stigter@kb.nl](mailto:yvonne.stigter@kb.nl)).

The **LIBER-NEWS mailing list** is open to the public. It is used to distribute news from LIBER. Library professionals are also invited to share job openings, calls for papers and similar news via the list. To sign up, visit: <https://www.jiscmail.ac.uk/cgi-bin/webadmin?SUBED1=liber-news&A=1>

Note: In April, LIBER will switch its mailing lists to a new service provider. This will have little impact on members and archives of all lists will be maintained. We will provide more details about the transfer, including a date of handover, in due course.

## 2 Website

Our website [www.libereurope.eu](http://www.libereurope.eu) contains a great deal of information about LIBER. For example:
