LIBER STRATEGY 2018-22: HAVE YOUR SAY!

As part of our ongoing work on developing the LIBER Strategy 2018-22, the LIBER Executive Board invites you to attend a knowledge café, which will take place on Wednesday 29 June 2016 during the LIBER Annual Conference in Helsinki.

The LIBER President has been working with the Executive Board in order to define the vision for LIBER libraries in 2022 and to identify key strategic directions that will support libraries in achieving this vision. At the knowledge café participants will be invited to discuss the topics that have emerged from this work as part of an ongoing validation and consultation process.

Can't make it to the LIBER Annual Conference this year? This exercise will be replicated via an online consultation which will be distributed to LIBER Participants in September.
